GO DIVE TOURS *presents* SCUBA CLUB COZUMEL

Around the end of March everyone is tired of winter. The rains are constant. The air is cold and damp. It is the perfect time to escape.

Cozumel is the premiere drift diving location in this hemisphere.

Visibility is typically 80 plus feet and the water temperature is 77 - 80 degrees as is the air. What is not to like? Escape to Cozumel!

Two tank dives daily plus unlimited shore diving. You just can't beat that.

The all inclusive price of \$2,150 double occupancy per diver is less than the trip cost last year.

Scuba Club Cozumel is just a 10 minute walk to downtown. There are activities for divers and non-divers.

Join us for a week of diving:
